Our organization works side by side with our clients providing highly professional services and know-how. Our core activity is auditing - voluntary and legal audit of statutory and consolidated financial statements, accounting auditing, financial and economic due-diligence. We also provide aid for organizational accounting problems and assistance and support for the preparation of financial statements drafted according to International Accounting Standards IAS-IFRS. We also offer a wide range of solutions to improve internal auditing, to develop risk management skills, to support our clients in administrative controls, anti-fraud and legal trials.
